HPE COC TRAINING PROGRAMMS:

IGEEKS, providing quality, industry oriented programs are at forefront of our motto. Our training programs are among the most sought after by the industry which is offered to both experienced and fresher's alike. We strive to bring the latest and advanced courses to our students in order to equip them with the most sought after skill-sets required by the industry. In our quest for offering quality, industry ready skills for our students, we are proud to announce that we are now an Authorized delivery partner for Hewlett Packard Enterprise (HPE). With us collaborating with our esteemed partner HPE, we now offer top of the class, industry oriented and HPE certified courses to our students to make them industry ready on completion of a course from a wide variety of HPE certified programs. These courses are available to fresh graduates as well as experienced candidates.

Here's a cursory glance at some of the courses offered by HPE across key Indian cities - Programming Techniques using 'C', PHP, VLSI, VHDL & PCB Design, Data Structure using C Language, Core Java, J2EE - Hibernate with Spring Framework, J2EE - Struts with Hibernate Framework, Android, ASP.NET With C#, Embedded & Robotics-Basics & Advanced, ARM, Linux Administration with Scripting, Networking concepts with security.

The advantages of our HPE certified programs are:

- ✓ Programs delivered by certified professionals by HPE.
- ✓ Certification directly by HPE is globally recognized with no refreshing period.
- ✓ Curriculum designed by industry experts from HPE. Thereby providing training in latest technologies.
- ✓ Adds significant weight age to a candidates' profile, enhancing their career prospects.
- ✓ Every student would be given HPE courseware, notepad and pen along with an online examination voucher.
- ✓ Certificate would be issued after he/she successfully completes the assessment exam.

If you require any further information regarding the courses, feel free to contact US: Malleswaram/JayaNagar-9739066172.
